ECS Brands LLC
295 Interlocken Blvd., Ste
Broomfield, CO 80021

To Whom It May Concern:

ECS brands, the manufacturer of the hemp-derived CBD isolates, crude oils, and distillate products (**Broad Spectrum Premier (BSP), Gold Standard T-Free (GST), CBG Isolate (ISO-CBG), Compliant Chromatography Distillate (CCD), Non-Remediated Distillate (NRD), Nitro Crystal Resistant T-Free (NCR), Premier Crystal Resistant T-Free (PCR), Gold Crystal Resistant T-Free (GCR), CBG Nitro Distillate (CBGN), Water Soluble Liquid Emulsion (WSLE), Apex Powder Water Soluble (APEX), CBN Isolate (CBN-ISO), Isolate (ISO CBD), Broad Spectrum Premier-High CBG (BSP-CBG), Gold Standard T-Free CBG (GST-CBG), and Nitro-V Distillate**), cannabis-derived products, has submitted written information to the Public Health Investigations Division of the Denver Department of Public Health and Environment (“the Department”) regarding their manufacturing processes. The production process for the cannabis concentrates and the above noted product has been evaluated for shelf-stability and control for growth of *Clostridium botulinum* spores.

The hemp-derived CBD isolates, crude oils, and distillate products noted above are manufactured by ECS Brands, and have been evaluated and approved by the Department as a non-potentially hazardous food. ECS Brands is regulated by the Colorado Department of Public Health and Environment as a wholesale food manufacturer, and therefore is considered an approved source in Denver.

ECS Brands is approved to store the above noted products as a non-potentially hazardous food not requiring time or temperature control. Any changes to the production process, ingredients, or ingredient sources for the above noted product may result in a change to this approval. Furthermore, approval may be rescinded, or conditions adjusted at any time if new information becomes available about risks of the product. Any changes to the process for making the CBD Isolate, the Winterized Crude, or the Gold Standard T-Free must be submitted in writing and approved in advance by the Department for continued approval to treat final products as a non-potentially hazardous food.

Please note that the jurisdiction of this Department applies to the City and County of Denver only, and the scope of this approval applies to the CBD isolates, crude oils, and the distillates listed above that are produced by ECS Brands, and sold in Denver. This Department has no direct authority over the ECS Brands Manufacturing facility in Broomfield, CO. The Department recommends maintaining this approval available upon request and providing a copy to Denver retail outlets where these products are sold. A second copy will be maintained on file at the Department.

Kind regards,

Danica Lee
